

Sorority Highlights

Delta Delta Delta

Tri Delta had a great time preparing for recruitment! We all experienced a rush on bid day as we gained twenty outstanding new members, whom we lovingly call pearls. They are athletes, Willy T Scholars, and each well-rounded individuals. We are excited to see how they help shape our chapter. Having them run out to us was just as exciting as having our unaffiliated women run back to us, we were so excited to welcome back Caroline, Katie, and Katriel! We haven't stopped moving since bid day! This coming week will be Big/Little reveal and the sophomores can't wait! Bid day was the perfect way to start the new school year, and we look forward to the rest of the year! We would also like to congratulate all the other chapters for their new members; let's rock the year together!

Chi Omega

The Chi Chapter of Chi Omega is proud to announce that we picked up 21 new members at bid day this year. Furthermore, our fall philanthropy event benefitting Make A Wish took place on October 9th and was extremely successful. We'd like to thank everyone for participating as well as donating to the foundation. Proceeds will be used to grant a wish for a child with a life threatening illness.

Phi Mu

Phi Mu just finished an outstanding week of formal recruitment to start off the year on a positive note. Recruitment chair Amelia Stanley led her chapter to an outstanding recruitment that focused on the close bonds Phi Mus have with the Transylvania campus, the Lexington community, and, most importantly, their sisters. The week ended with an excellent Bid Day planned by Phi Director Eden Bennett to celebrate the addition of 20 Phis to our sisterhood! We look forward to watching these new members grow in Phi Mu, as well as a great academic year.

Alpha Omicron Pi

This fall recruitment has reenergized the Tau Omega Chapter of Alpha Omicron Pi. Our chapter saw eighteen wonderful women run out to us on Bid Day and one accepted COB already. We are excited to help guide, and be guided, by our new members. And while the collegiate membership within Alpha Omicron Pi fosters a memorable four-year experience at Transylvania University, the lifelong bonds of friendship created during those years and the leadership opportunities received by the women will undoubtedly last a lifetime.

Fraternity Highlights

Another successful year of Fraternity Recruitment wrapped up Sunday, September 25, with Bid Day run-outs in Old Morrison Circle. This came after two weeks of official recruitment, including events such as “Meet the Greeks” in the Beck Center, on-campus cook-outs, and off-campus Smoker events. A total of 54 men accepted bids, with the bids accepted for each chapter as follows:

Delta Sigma Phi - 24 bids accepted

Kappa Alpha Order - 10 bids accepted

Phi Kappa Tau - 14 bids accepted

Pi Kappa Alpha - 6 bids accepted.

The Transylvania University Inter-Fraternity Council also awarded a total of \$1,000 dollars in scholarships this year to new
