

TRANSYLVANIA
UNIVERSITY

ESPORTS AT TRANSYLVANIA

Competitive gaming has come to Transylvania University.

Transy has its first esports team, giving students a chance to get in on a billion-dollar industry in a brand new, state-of-the-art gaming arena in Thomson Hall.

Our esports players hone their gaming skills while developing their communication, cooperation and quick thinking to perform at their best. You'll compete in tournaments against other schools for real prizes and bragging rights.
