

Bio for Rose Mary Dow

The education, friendships and positive experiences of Rose Mary's three years as a student at Transylvania have motivated her alumni involvement since becoming a member of Alumni Executive Board in 1990. She jokes if lunch is included, she will participate on a committee. Many lunches later a taste of her service includes: three Strategic Planning Committees, two Presidential Search Committees, SACS Accreditation Review Committee and The Board of Visitors. Since 2003, the greatest honor, pleasure and best lunches, have been as a member of the Board of Trustees, on which she holds the positions of Secretary and Chair of the Strategic Planning Committee.

One of the things Rose Mary enjoys about working with the Transylvania Community is that, every time she comes on campus, she learns something. The lessons Transylvania teaches are important and this is why Rose Mary works to pass on the lights of academics, opportunities, friendships and values to today's students that she learned here.

Professionally, Rose Mary is the President of Signal Investments where she works as an asset manager with a primary focus on equity portfolio management.
