

Your chance to support the new **TRANSYLVANIA ATHLETICS COMPLEX**

**Here's your opportunity to help us enhance Transylvania's
outdoor sports and recreation facilities.**

The Athletics Complex will feature an artificial turf field and an NCAA-regulation eight-lane track with an all-weather surface, plus spaces for field events. A grandstand will seat 800 spectators. Lighting will allow for nighttime intercollegiate competition and other student events. A field house will include coaches' offices, locker rooms, and a training facility.

The following intercollegiate teams will call the new facility home:

- Men's and Women's Soccer
- Men's and Women's Lacrosse
- Men's and Women's Track and Field
- Field Hockey

The facility will also be available to support Transylvania's popular intramurals program as well as casual recreation needs.
